Dear Sirs,

re: Licence Application Number: 20/02595/LPRM  
at Llanfair Watrodine.

I wish to make the strongest objection  
to this application on the following grounds:-

- (a) I entirely agree with [redacted]'s objection and endorse his representation without qualification.
- (b) I have no faith in the trustees or their ability to run the events without causing harm to the community.
- (c) There is a history of severe noise disturbance from this site.
- (d) It is clear to the whole community that this application has no connection with sporting activities which have received large sums of public money.
- (e) The application is very detrimental to the existing Everest Hall, community centre.
- (f) This is an alien use to this quiet small rural hamlet.

I ask the sub-committee PLEASE to  
refuse this application.

Yours faithfully,  
[redacted]
