Re: Pavilion Llanfair Waterdine Application to sell Alcohol

We hereby raise an objection to the proposed licence application for the Llanfair Waterdine Community building, Joan Adams Community Field Llanfair Waterdine.

Objections are raised based upon the following:

- The wish for grant of licence was never outlined as part of the original proposal for the pavilion: The intended usage for the pavilion has now by implication changed.**
- The licence application appears to have been made with little or no public / local consultation or consideration.**
- The licence application fails to meet the concerns of local residents regarding possible noise implications.**
- Everest Hall 100m from the new pavilion has a licence with similar indoor facilities.**
- The grant of licence is open to mis-use and commercial gain in direct opposition to the building's intended use as a charitable / community asset.**

We hope therefore that you look favourably upon our concerns.
