<p>Please note correction to paragraph 7.1 of the conclusion. Fifth sentence should read:</p> <p>“It is accepted that the development is more dense in character than its immediate surroundings however, it is considered that the proposed scheme incorporating contemporary design details is not unduly out of character in this respect.”</p> <p>Condition 7 is adjusted in its reference to a construction method statement to take account of the reference to a construction management plan at paragraph 6.7.1 to read:</p> <p>“Prior to the commencement of development, including any works of demolition, a Construction Method Statement/ Construction Management Plan shall have been submitted to, and approved in writing by, the local planning authority. The approved Statement/Plan shall be adhered to throughout the construction period.</p> <p>Reason: This detail is required prior to commencement to avoid congestion in the surrounding area and to protect the amenities of the area.”</p>
