Dear Sirs

**West Mercia Energy Joint Committee
Financial Statements for the Year Ended 31 March 2021**

The following representations are made on the basis of enquiries of management and staff with relevant knowledge and experience such as we consider necessary in connection with your audit of the joint committee's financial statements for the year ended 31st March 2021. These enquiries have included inspection of supporting documentation where appropriate. All representations are made to the best of our knowledge and belief.

GENERAL

1. We have fulfilled our responsibilities as members of the joint committee, as set out in the terms of your engagement letter dated 20th January 2021, for preparing financial statements in accordance with applicable law and United Kingdom Accounting Standards (UK Generally Accepted Accounting Practice), for being satisfied that they give a true and fair view and for making accurate representations to you.
2. All the transactions undertaken by the joint committee have been properly reflected and recorded in the accounting records.
3. All the accounting records have been made available to you for the purpose of your audit. We have provided you with unrestricted access to all appropriate persons within the joint committee, and with all other records and related information requested, including minutes of all management and joint committee member meetings.
4. The financial statements are free of material misstatements, including omissions.
5. The effects of uncorrected misstatements in the sum of £373,493 are immaterial in total.

6. We acknowledge our responsibility for the design, implementation and maintenance of internal control systems to prevent and detect fraud and error. We have disclosed to you the results of our risk assessment that the financial statements may be misstated as a result of fraud.
7. We have disclosed to you all instances of known or suspected fraud affecting the entity involving management, employees who have a significant role in internal control or others that could have a material effect on the financial statements.
8. We have also disclosed to you all information in relation to allegations of fraud or suspected fraud affecting the entity's financial statements communicated by current or former employees, analysts, regulators or others.

ASSETS AND LIABILITIES

9. The joint committee has satisfactory title to all assets and there are no liens or encumbrances on the joint committee's assets, except for those that are disclosed in the notes to the financial statements.
10. All actual liabilities, contingent liabilities and guarantees given to third parties have been recorded or disclosed as appropriate.
11. We have no plans or intentions that may materially alter the carrying value and, where relevant, the fair value measurements or classification of assets and liabilities reflected in the financial statements.
12. The trading risk provision of £373,493 has been included as a provision within the financial statements to provide members of the joint committee with a measurable potential exposure to the organisation due to future price rises. We consider this provision to be fairly valued at the year end.
13. The disposal of the WMS element of the defined benefit pension scheme has been fairly accounted for within the financial statements with a transfer out of West Mercia Energy recognised for the total of £6,928k during the year.

SUBSEQUENT EVENTS

19. All events subsequent to the date of the financial statements which require adjustment or disclosure have been properly accounted for and disclosed.

GOING CONCERN

We have considered a period of twelve months from the date of approval of the financial statements. We believe that no further disclosures relating to the joint committee's ability to continue as a going concern need to be made in the financial statements.
