1. Synopsis

Audit Committee Members agree annually, a plan of work and appropriate learning and development to undertake their duties effectively and deliver them to a high standard. Therefore ensuring the integrity of the financial reporting and governance of the Council.

2. Executive Summary

- 2.1. It is important that Audit Committee Members have an agreed plan of work for the year ahead and receive appropriate learning and development to deliver their responsibilities effectively. This report provides a proposed Audit Committee work plan and seeks discussion and agreement around a learning and development plan for Members to ensure that they are well informed and appropriately skilled to fulfil their role.
- 2.2. Following membership changes, early training focus has been around the role of Audit Committee and bringing new members up to speed on the Committee's demands of them, this will be enhanced with more detailed training as the calendar of work progresses.

3. Recommendations

The Committee is asked to consider and approve, with appropriate comment:

- 3.1. The Audit Committee work plan for 2022/23, **Appendix A**;
- 3.2. A learning and development plan for Members of the committee taking in to account information in Appendices A and B.

REPORT

4. Risk Assessment and Opportunities Appraisal

- 4.1. By identifying the key topics to be considered at the Audit Committee meetings and receiving appropriate learning and development sessions in respect of their roles and responsibilities, Audit Committee Members can undertake their duties effectively and deliver them to a high standard, thereby adding to:
- the robustness of the risk management framework;
 - the adequacy of the internal control environment and
 - the integrity of the financial reporting and annual governance of the Council.
- 4.2 The recommendations contained in this report are compatible with the provisions of the Human Rights Act 1998. There are no direct environmental, equalities or climate change requirements or consequences of this proposal.

5. Financial Implications

- 5.1. The Audit Committee work plan and learning and development sessions for members will be met from within approved budgets.

6. Climate Change Appraisal

- 6.1. This report does not directly make decisions on energy and fuel consumption; renewable energy generation; carbon offsetting or mitigation nor climate change adaptation. However, the work of the Committee will look at these aspects relevant to the governance, risk management and control environment.

7. Background

- 7.1. The Chartered Institute of Public Finance and Accountancy (CIPFA) identifies the purpose of an Audit Committee, in its Practical Guidance for Local Authorities and Police 2018 Edition, as providing those charged with governance, independent assurance on the adequacy of the risk management framework, the internal control environment and the integrity of the financial reporting and annual governance processes. In local authorities, audit committees are necessary to satisfy the wider requirements for sound financial and internal control. Accounts and Audit (England) Regulations 2015 state 'the relevant authority must ensure that it has a sound system of internal control which; facilitates the effective exercise of its functions and the achievement of its aims

and objectives; ensures that the financial and operational management of the authority is effective; and includes effective arrangements for the management of risk'. With a known work plan, and appropriate and timely learning and development for Members, the committee will be well prepared and members will gain the knowledge and experience needed to carry out their role effectively.

Work Plan

- 7.2. The work plan in **Appendix A** continues to be presented in a format which demonstrates how reports to Audit Committee contribute to the delivery of the Committee's Terms of Reference and what assurances they provide.
- 7.3. There is a provisional date for the Committee in October, to accommodate any unforeseen slippage in delivering the Statement of Accounts, and one proposed change to the regular reports for which member approval is sought.
- 7.4. There will be a report to the June Audit Committee to consider the information provided on the national auditor appointment arrangements with PSAA Ltd, the Local Government Association National Sector Led Body. Procurement of the External Auditors is being conducted in the current year and the results of this will be reported back to the Committee for Members to consider and comment on the selection and rotation of the External Auditor. The details appear in **bold and are underlined** in the appendix.
- 7.5. The External Auditors, Grant Thornton will confirm their reports and timings at the meeting prior to any work plan approval.

Learning and Development

- 7.6. CIPFA identify a key characteristic of an effective Audit Committee as having a membership that is balanced, objective, independent of mind, knowledgeable and properly trained to fulfil their role. There is a range of knowledge and experience that audit committee members can bring to the committee which will enable it to perform effectively. No one committee member is expected to be an expert in all areas. There are however some core areas of knowledge which committee members need to acquire in addition to the need for regular briefings and training.
- 7.7. Members need to consider annually their learning and development plan to support them in delivery of their roles. During 2021/22 and following the establishment of the new committee after Elections last May, Members in addition to being offered the opportunity for a one-to-one training session with the Head of Audit, have received four half day sessions covering several topics in detail; i.e.
 - General Members Induction: The key role of Audit within the Council's governance framework
 - Role of Audit Committee members

- Self-assessment of Members
- Audit Committee
 - Terms of reference
 - Timetable and work plans
 - Member skills and experience
 - Self-assessment of the Committee
 - Independent member role
- Governance
 - Three lines of assurance
 - Shropshire Council's Governance framework
 - Annual Governance Statement
 - Internal Audit year end opinion
- Internal audit
 - What to expect from reports?
- External audit
- Counter fraud
- Treasury management
- Risk management
- Financial management
 - Revenue outturn
 - Capital outturn

7.8. Additional learning and documentation were also shared on:

- Annual fraud prevention training
- CIPFA Better Governance Forum updates covering
 - Supporting improvements to risk management arrangements
 - Defining the relationship between the audit committee and the scrutiny function
 - New consultation on local audit and audit committee arrangements
 - Regular briefing on new developments

Backdated updates were referenced for Members to access directly.

7.9. It is proposed that training is again provided in three half day sessions over the next twelve months. Sessions are proposed for the 16th June, the 8th September 2022 and the 9th February 2023.

7.10. **Appendix B** identifies training topics for Audit Committee Members to consider. Topics are identified as core areas of knowledge that all Audit Committee Members should seek to acquire plus specialisms that can add value to the committee. Members may also want to hear from key officers of the Council where new or changing activities and risks are emerging and can request this as part of their training.

7.11. Whilst members are asked to endorse the initial sessions for learning and development, this will not prevent any additional items being added during the year or changes being made if these are felt to be of value.
