1. Summary

- 1.1 It has been previously agreed for the Joint Committee to continue with an external audit to provide the Joint Committee the necessary continued assurance regarding stewardship of funds.
- 1.2 This report provides the Joint Committee with the proposed external audit plan for 2021/22 for consideration and approval.

2. Recommendations

It is recommended that the Joint Committee:

- 2.1 approve the draft audit plan for 2021/22 as presented by WR Partners attached at Appendix 1
- 2.2 approve the commissioning of WR Partners to undertake the audit in accordance with the audit plan.

REPORT

3. Risk Assessment and Opportunities Appraisal

- 3.1 The recommendations contained in this report are compatible with the provisions of the Human Rights Act 1998.
- 3.2 There are no direct environmental, equalities or climate change consequences arising from this report.
- 3.3 WR Partners' audit work is conducted in accordance with the International Standards on Auditing (ISAs) (UK).

3.4 The risks associated with not conducting an external audit including an audit opinion were considered when the decision was made in September 2015 to continue with an external audit. It was accepted by the Joint Committee that without an annual external audit process not only would the Joint Committee lose the assurance regarding stewardship of funds but also the other Local Authorities/public entities with which WME trades.

4. Financial Implications

4.1 The fee for the 2021/22 audit is £13,350. This is a £600 rise against the fee for 2020/21 but lower than audit fee for 2019/20 of £14,250.

5. Background

5.1 At the September 2015 Joint Committee, members were advised of the changes to the statutory audit requirements for Joint Committees effective from 1 April 2015. At this Joint Committee, it was agreed to continue with an annual external audit to provide the Joint Committee the necessary continued assurance regarding stewardship of funds.

5.2 A procurement exercise was conducted in late 2020 with the winning tenderer WR Partners, an audit firm based in Shrewsbury and they conducted their first audit for the 2020/21 financial year last year.

5.3 The attached WR Partners Service Plan sets out the scope of the audit to be undertaken, identifies risks and audit responses to these and outlines materiality levels.

5.4 WR Partners will conduct their main audit work on the WME accounts for 2021/22 in July and will bring their report to the September Joint Committee.
