<b>What inequalities does this paper address?</b>	As Inequalities is a priority of SHIPP, the Board and its programmes work to reduce inequalities and health inequalities in Shropshire.			

### 1. Executive Summary

As a reminder, the purpose of Shropshire Integrated Place Partnership (SHIPP) is to act as a partnership board of commissioners, providers of health and social care and involvement leads, in Shropshire, to ensure that the system level outcomes and priorities agreed at ICS and Programme boards are implemented at place level in Shropshire. The Board will take into account the communities and people we work with, the individuals/ citizens (including carers) that we serve, the different delivery models needed, and our focus on reducing inequalities.

SHIPP has adopted the key priorities of the HWBB as well as place-based priorities of the ICS. They are:

- Children's and Young People's Strategy
- Prevention/Healthy Lifestyles/Healthy Weight
- Mental Health, Workforce
- Community Capacity & Resilience with the VCSE
- Local Care and Personalisation (incl. involvement)
- Supporting Primary Care Networks
- Integration and One Public Estate
- Tackling health inequalities

This paper presents an overview of the Shropshire Integrated Place Partnership (SHIPP) Board meetings held in November and December 2022 and includes Chairs reports with actions, for assurance purposes.

### 2. Recommendations

This report is for information. The Health and Wellbeing Board is asked to recognise the work underway to address the key priorities of SHIPP, as well as the risks in the system, highlighted by the Board.

### 3. Report
