THE PREVENTION OF HARM TO CHILDREN

The children's play area adjacent to the rugby club will be adversely affected by the proposed license. The ready availability of alcohol will be temptation to youngsters.

TO PREVENT PUBLIC NUISANCE

The noise from music, fireworks, motor traffic, late night drinking will have an adverse effect on the adjoining residential properties.

TO PREVENT CRIME & DISORDER

The local properties especially in the narrow Upper Linney are susceptible to low level vandalism, and noise as revellers return home.

PUBLIC SAFETY -

The Linney is a narrow lane, with only one way traffic possible on many stretches; therefore the increase in traffic usage will present a significant problem and danger for residents.

Suggested conditions that could be added to the licence to remedy your representation or other suggestions you would like the Licensing Sub Committee to take into account. Please use separate sheets where necessary - refer to checklist.

Generally if there is to be a hearing to determine the premises licence application, the sub-committee will only be able to consider matters that have been previously disclosed. No new evidence can be introduced at the hearing. It is therefore imperative that you detail all matters that you wish to be considered on this initial representation. Please attach additional sheets if necessary.

If you do make a representation you will be expected to attend the Licensing Sub Committee and any subsequent appeal process. All representations in their entirety, including your name and address, will be disclosed to the applicant for the premises licence and any other interested parties. If all parties agree, the application can be dealt with without holding a hearing.
