Justification statement:

The parish of Church Stretton comprises the town of Church Stretton and the surrounding villages of All Stretton, Little Stretton, Hordersley and Minton. Church Stretton is the only substantial town in the Shropshire Hills AONB and serves as an important centre for the wider area, in particular through the provision of medical and care services, transport, shopping, a leisure centre and swimming pool, a library and the arts. The Town has demonstrated its enthusiasm for the development of services in the town, has a strong sense of community and is enthusiastic about the development of a Neighbourhood Plan. Such a plan will be strongly informed by the town's recent Housing Needs Survey and Shropshire Council's Local Plan, and is the ideal opportunity to ensure that Church Stretton remains a vibrant and healthy community able to support both the immediate and surrounding communities into the future.
