

**Applicant's comments on Public Nuisance, Licensing Sub-Committee  
Hearing 5 May 2021**

**Noise**

*'It is not a disco...*

*I don't want loud music playing. It is just purely about background music and it's ambience and it's about people being able to talk.'*

**Smoke, Odour**

*'I will stop using the pizza oven. It is my intention to replace this... I have stopped using and I will stop using the pizza oven and it's my intention to replace this with a griddle. I will only be cooking three things: mini-chicken skewers; mini-lamb skewers; mini vegetable skewers.'*

*'There will be no smoke, no fumes, no steam.'*

*'I will be operating the Bluebar with an online and instore booking system.'*
