**\*Your representation must relate to one or more of the following four licensing objectives. Please detail the evidence supporting your representation or the reason for your representation. Please use separate sheets if necessary.**

|   |
|---|
| <b>THE PREVENTION OF CRIME AND DISORDER</b><br><i>The premises applying for the licence is directly below The Court, a residential building, and also set among a host of other residential buildings. It is a relatively crime-free area, other than very occasional drug related incidents, and the nuisance from late-night revellers leaving nearby pubs. My concern is that a venue such as that proposed would expose an as yet relatively unknown, peaceful part of town, to groups of people that don't always have the best intentions. The area in question is mostly free of litter, cigarette butts, and vomit that very often blight other areas of town closer to pubs and late-night venues.</i> |
| <b>PUBLIC SAFETY</b>  |

**THE PREVENTION OF PUBLIC NUISANCE**

*A large number of the residents in the area, myself included, choose to live here for the peace and quiet, and the fact that it is a relatively crime-free area. The hours advertised for the proposed business are such that the noise would disrupt the peace, and could disrupt sleep for some of the residents. The sale of alcohol on the premises would also promote late-night revelling, raised voices, and general noise in the area. The average age of residents in The Court is well above the average age of late-night revellers, and these are the people that would be most exposed to the noise generated in a late-night venue.*

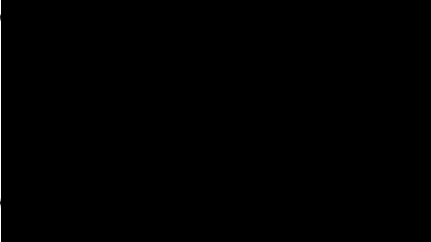

**THE PROTECTION OF CHILDREN FROM HARM**

**Suggested conditions that could be added to the licence to remedy your representation or other suggestions you would like the Licensing Sub Committee to take into account. Please use separate sheets where necessary.**

*I would suggest much earlier closing hours, and no music, live or otherwise, to be played outside of the venue, and that the volume of music inside the venue be such that it is not heard in the neighbouring residences.*

- Generally, if there is to be a hearing to determine the premises licence application, the Licensing Sub Committee will only be able to consider matters that have been previously disclosed. No new evidence can be introduced at the hearing. It is therefore imperative that you detail all matters that you wish to be considered on this initial representation. Please attach additional sheet if necessary.
- If you make a representation, you will be expected to attend the Licensing Sub Committee hearing and any subsequent appeal process. **All representations in their entirety, including your name, address and contact details will be disclosed to the applicant for the premises licence and their agent.**
- If limited or withheld personal details are redacted from representations, where notice of a hearing is given to an applicant, the licensing authority is required under the Licensing Act 2003 (Hearings) Regulations 2005 to provide the applicant with copies of the relevant representations that have been made.

**I/We fully understand that this representation will be made available to the applicant and included in the Sub Committee’s Hearing papers which are publicly accessible documents, and any subsequent appeal court proceedings.**
