PLEASE NOTE: The representation form must be received by the Licensing Team before the end of the consultation period stated on the site notice, newspaper notice and the Council's website, or it will not be accepted. Posted representations not received within a consultation period due to the postal system will be treated as late and not accepted.

- Only in exceptional circumstances will personal details be redacted from representations. This will be when the Council considers that there is a genuine risk of intimidation / violence to the persons making representation. Persons making representations who consider this to be a risk should make it clear on their representation and they will be contacted to discuss further.
- At the end of the consultation period, if any representations remain, the name and address of persons making representations will be published on the report to the Licensing Sub Committee, which will be publicly available.

***Your representation must relate to one or more of the following four licensing objectives. Please detail the evidence supporting your representation or the reason for your representation. Please use separate sheets if necessary.**

THE PREVENTION OF CRIME AND DISORDER

There has to be an increased likelihood of anti social and disorderly conduct in the areas surrounding these premises, particularly at the end of the evening.
This could well overspill in to the surrounding residential areas.

PUBLIC SAFETY

There will be increased foot traffic in the surrounding areas. Most of these areas have no pavements and are accessible to motor vehicles, causing risk of pedestrians being struck by cars.

Also there is a fire risk from discarded cigarettes being discarded over the wall and into the meadow which adjoins Blackfriars Crescent and is tinder dry in the summer months.

THE PREVENTION OF PUBLIC NUISANCE

This is the main thrust of my objection. The application requests permission for live and recorded music indoors and outdoors within normal licensing hours and extended hours over bank holidays.

The rear of the Parade is in the vicinity of predominantly residential accommodation, approximately 100 apartments I believe.

It overlooks Blackfriars where I live and sound from the Parade carries clearly to my apartment as was the occasion one day last summer when there was a pop-up event in the Parade car park. The noise was as loud and clear as if I was actually present at the event. I have a recording of this available if required. I also believe the Old Meadow Estate across the river will be detrimentally affected by this proposal.

If approved this proposal will cause considerable disruption and distress to myself and my family and I urge you to deny this application and any other variation thereof.

Failure to do so may well force us to move as we have only recently moved here and greatly appreciate the peace and solitude of Blackfriars.

THE PROTECTION OF CHILDREN FROM HARM

Suggested conditions that could be added to the licence to remedy your representation or other suggestions you would like the Licensing Sub Committee to take into account. Please use separate sheets where necessary.

- Generally, if there is to be a hearing to determine the premises licence application, the Licensing Sub Committee will only be able to consider matters that have been previously disclosed. No new evidence can be introduced at the hearing. It is therefore imperative that you detail all matters that you wish to be considered on this initial representation. Please attach additional sheet if necessary.
- If you make a representation, you will be expected to attend the Licensing Sub Committee hearing and any subsequent appeal process. **All representations in their entirety, including your name, address and contact details will be disclosed to the applicant for the premises licence and their agent.**
- If limited or withheld personal details are redacted from representations, where notice of a hearing is given to an applicant, the licensing authority is required under the Licensing Act 2003 (Hearings) Regulations 2005 to provide the applicant with copies of the relevant representations that have been made.

I/We fully understand that this representation will be made available to the applicant and included in the Sub Committee's Hearing papers which are publicly accessible documents, and any subsequent appeal court proceedings.
