*Name & address of premises for which the representation is being made Bobby's, The Parade, unit 25/26. St Mary's Place, Shrewsbury SY1 1DL

***Your representation must relate to one or more of the following four licensing objectives. Please detail the evidence supporting your representation or the reason for your representation. Please use separate sheets if necessary.**

THE PREVENTION OF CRIME AND DISORDER Possible intrusion on private property, our residents private terrace. There is already a very serious existing drug problem/dealing around the back of St. Mary's Church, facing the side entrance of The Parade. This could easily become more aggravated by an easy accessible late licensed premises. The drug dealing could move to behind The Parade/The Court, they could use the toilets in The Parade. We do not feel safe knowing that drug dealers could simply walk around the back of the premises at any time. The Court are private dwellings directly over the Parade and our safety will be compromised with a late licensed premises.
PUBLIC SAFETY More traffic and parking around St. Mary's Square, potentially obstructing emergency vehicle access, making an already congested area, worse. Food waste, smells and light will attract vermin from river, which is detrimental to an apartment complex.

THE PREVENTION OF PUBLIC NUISANCE

Noise and light pollution to Apartment residents overhead and to the sides of The Parade. Noise travels up the river, side lane and Windsor Place very easily. Opportunities for peace and quiet are already limited, it will become even worse. We both in our 40s go to bed very early, rarely after 2130. One of us has a chronic illness where good sleep is crucial to our well being, the other is in the Army and needs their sleep too. We have no balcony or garden, our only outdoor area is the terrace at the end of the 'car park area'. We will lose our already limited privacy if this license is granted. This is an elevated area where no amount of clever placed furniture or greenery will block us or our view. We do not wish to see or hear people out eating, drinking, music playing, lights etc while we are trying to relax in our only outdoor space. We enjoy the noise of nature out the back of the property. The restaurant will not just block out nature sounds but drive birds etc away from property completely.

THE PROTECTION OF CHILDREN FROM HARM

Local drug dealing already a problem, as discussed earlier. This is no place for children to be around.

Suggested conditions that could be added to the licence to remedy your representation or other suggestions you would like the Licensing Sub Committee to take into account. Please use separate sheets where necessary.

Licensing to finish by 1700 and premises completely closed by 1800, with earlier closing on Saturdays and closed completely on Sundays. Evenings and weekends are the times that the residents area is used the most so no licensed premises at these times would be a compromise.

- Generally, if there is to be a hearing to determine the premises licence application, the Licensing Sub Committee will only be able to consider matters that have been previously disclosed. No new evidence can be introduced at the hearing. It is therefore imperative that you detail all matters that you wish to be considered on this initial representation. Please attach additional sheet if necessary.
- If you make a representation, you will be expected to attend the Licensing Sub Committee hearing and any subsequent appeal process. **All representations in their entirety, including your name, address and contact details will be disclosed to the applicant for the premises licence and their agent.**
- If limited or withheld personal details are redacted from representations, where notice of a hearing is given to an applicant, the licensing authority is required under the Licensing Act 2003 (Hearings) Regulations 2005 to provide the applicant with copies of the relevant representations that have been made.

I/We fully understand that this representation will be made available to the applicant and included in the Sub Committee’s Hearing papers which are publicly accessible documents, and any subsequent appeal court proceedings.
