*Your representation must relate to one or more of the following four licensing objectives. Please detail the evidence supporting your representation or the reason for your representation. Please use separate sheets if necessary.

THE PREVENTION OF CRIME AND DISORDER

The location of the premises at 25/26 The Parade are entirely unsuitable for the type of licensing application being made - this is a residential block of apartments stretching across to No 1 Court / also and large gatherings of people outside smoking + drinking and potentially drug taking will lead to disorder.

PUBLIC SAFETY

Following on from the above: Shrewsbury has a known problem with anti-social behaviour as a result of drinking alcohol and has seen a significant increase in this - as reported in Council's own findings (- lockdown), using the terrace behind the Parade means groups of people mingling out of sight and difficult to disperse safely. Watergate mansions shares the same underneath access and a fire was started underneath

THE PREVENTION OF PUBLIC NUISANCE

The residents of the apartments deserve to continue to enjoy the nightly and daily peace and quiet. This licensing application will lead to excessive noise, silencing, music for long periods and very late into the evening. They will not be able to open windows to see outside their own.

THE PROTECTION OF CHILDREN FROM HARM

More and more families flats are moving in to the apartments at the Parade and Court as it is currently a safe, secure, quiet place. Children should not be exposed to yet another area of mass drinking/drug use and anti-social behaviour increasing in St Mary's area.

Suggested conditions that could be added to the licence to remedy your representation or other suggestions you would like the Licensing Sub Committee to take into account. Please use separate sheets where necessary.

None.
100% against this licensing alcohol/music/late night application

- Generally, if there is to be a hearing to determine the premises licence application, the Licensing Sub Committee will only be able to consider matters that have been previously disclosed. No new evidence can be introduced at the hearing. It is therefore imperative that you detail all matters that you wish to be considered on this initial representation. Please attach additional sheet if necessary.
- If you make a representation, you will be expected to attend the Licensing Sub Committee hearing and any subsequent appeal process. All representations in their entirety, including your name, address and contact details will be disclosed to the applicant for the premises licence and their agent.
- If limited or withheld personal details are redacted from representations, where notice of a hearing is given to an applicant, the licensing authority is required under the Licensing Act 2003 (Hearings) Regulations 2005 to provide the applicant with copies of the relevant representations that have been made.

I/We fully understand that this representation will be made available to the applicant and included in the Sub Committee's Hearing papers which are publicly accessible documents, and any subsequent appeal court proceedings.
