THE PREVENTION OF CRIME AND DISORDER
PUBLIC SAFETY

THE PREVENTION OF PUBLIC NUISANCE

Living just across the river from these premises means that residents will have to endure loud music from these premises if the application is granted which will severely impact the quality of life of a largely retired community who value their peace and quiet. It will have a detrimental impact on the saleability of our properties when the time comes to sell and will change the very nature and lifestyle of those who live in The Old Meadow. I believe there are more than enough music venues on our town to cater for the demand and surely this is just one step too far.

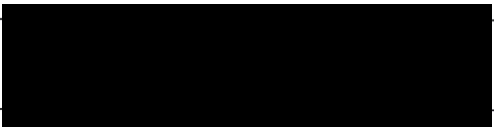

THE PROTECTION OF CHILDREN FROM HARM

Suggested conditions that could be added to the licence to remedy your representation or other suggestions you would like the Licensing Sub Committee to take into account. Please use separate sheets where necessary.

I cannot in all honesty think of any scope for compromise regarding this application. It just seems so inappropriate to grant this licence when it is so close to a substantial residential complex.

- Generally, if there is to be a hearing to determine the premises licence application, the Licensing Sub Committee will only be able to consider matters that have been previously disclosed. No new evidence can be introduced at the hearing. It is therefore imperative that you detail all matters that you wish to be considered on this initial representation. Please attach additional sheet if necessary.
- If you make a representation, you will be expected to attend the Licensing Sub Committee hearing and any subsequent appeal process. **All representations in their entirety, including your name, address and contact details will be disclosed to the applicant for the premises licence and their agent.**
- If limited or withheld personal details are redacted from representations, where notice of a hearing is given to an applicant, the licensing authority is required under the Licensing Act 2003 (Hearings) Regulations 2005 to provide the applicant with copies of the relevant representations that have been made.

I/We fully understand that this representation will be made available to the applicant and included in the Sub Committee's Hearing papers which are publicly accessible documents, and any subsequent appeal court proceedings.
