I understand that a licence application has been made in respect of 58 Sheinton Street, Much Wenlock and that there may be some objection to this.

Small towns such as Much Wenlock depend on the breadth of local businesses to attract trade and enhance facilities for both visitors and the community. Following the demise of the Raven Hotel with its related delicatessen and bakery there was a gap in the provision of local services until the arrival of Baker & Cook. This cafe/bistro has filled that important gap in the market: it is always busy and attracts visitors from afar who patronise other local businesses for the benefit of everyone. Independent shops cannot survive on the trade from local residents alone and it is therefore essential to have a mix of businesses of varying types to offer mutual support.

Baker & Cook has become a very welcome fixture in the town and as a resident I would be disappointed if its expansion was prevented by a few unreasonable objectors.

- Generally, if there is to be a hearing to determine the premises licence application, the Licensing Sub Committee will only be able to consider matters that have been previously disclosed. No new evidence can be introduced at the hearing. It is therefore imperative that you detail all matters that you wish to be considered on this initial representation. Please attach additional sheet if necessary.
- If you make a representation, you will be expected to attend the Licensing Sub Committee hearing and any subsequent appeal process. **All representations in their entirety, including your name, address and contact details will be disclosed to the applicant for the premises licence and their agent.**
- If limited or withheld personal details are redacted from representations, where notice of a hearing is given to an applicant, the licensing authority is required under the Licensing Act 2003 (Hearings) Regulations 2005 to provide the applicant with copies of the relevant representations that have been made.

I/We fully understand that this representation will be made available to the applicant and included in the Sub Committee's Hearing papers which are publicly accessible documents, and any subsequent appeal court proceedings.
