## **Appendix A**

## Schools forum approvals for centrally held funding

- 1. A number of the services that are covered by funding that is held centrally are subject to a limitation of no new commitments or increases in expenditure from 2017 to 2018.
  - 1.1. This limit does not now apply to admissions or the servicing of schools forums.
  - 1.2. Schools forum approval is required each year to confirm the amounts on each line.
  - 1.3. The following table sets out the level of approval required for each service and for funding of brought forward deficits.
- 2. When using centrally held funding, local authorities must treat maintained schools and academies on an equivalent basis.
