THE PREVENTION OF CRIME AND DISORDER
PUBLIC SAFETY

THE PREVENTION OF PUBLIC NUISANCE

1. The Shrewsbury Town Centre Residents' Association was established in 1991, inter alia, to 'represent the interests of residents of Shrewsbury Town Centre living within the river loop to local and national authorities and other organisations'.

2. This Representation is an Objection to the Application on the grounds of the Prevention of a prospective Public Nuisance which this Application (if granted or if granted in its present form) would cause to those residents living within the close vicinity of the Premises, and particularly residents in Council House Court

3. The implications of loud noise emanating from the Premises caused by a combination of nighttime drinking in the streets primarily owing to prospective sales off the Premises, plus noise from customers leaving the Premises, and from uncontrolled loud music on the Premises are a serious threat to the nighttime well-being and quality of life of these residents.

4. It is considered wholly inappropriate for off sales to be allowed until late evening and therefore it is considered that on sales should be restricted to on Fridays and Saturdays and special days to a time no later than 11.00pm and that Conditions be imposed to achieve this outcome.

5. Also that there should be a Noise Prevention Plan and Policy in force including the forbidding of windows and doors to open at the rear of the Premises and the restriction of hours as per 4 above.

6. At the very least we invite the Committee to impose Conditions on the use of the Premises to allay the justifiable concerns of nearby residents at having their wellbeing being placed in serious jeopardy.

THE PROTECTION OF CHILDREN FROM HARM

Suggested conditions that could be added to the licence to remedy your representation or other suggestions you would like the Licensing Sub Committee to take into account. Please use separate sheets where necessary.

- Generally, if there is to be a hearing to determine the premises licence application, the Licensing Sub Committee will only be able to consider matters that have been previously disclosed. No new evidence can be introduced at the hearing. It is therefore imperative that you detail all matters that you wish to be considered on this initial representation. Please attach additional sheet if necessary.
- If you make a representation, you will be expected to attend the Licensing Sub Committee hearing and any subsequent appeal process. **All representations in their entirety, including your name, address and contact details will be disclosed to the applicant for the premises licence and their agent.**
- If limited or withheld personal details are redacted from representations, where notice of a hearing is given to an applicant, the licensing authority is required under the Licensing Act 2003 (Hearings)

Regulations 2005 to provide the applicant with copies of the relevant representations that have been made.

I/We fully understand that this representation will be made available to the applicant and included in the Sub Committee's Hearing papers which are publicly accessible documents, and any subsequent appeal court proceedings.
