 - Responsible authorities
 - Other persons
- To make a representation you must complete and send this form to licensing@shropshire.gov.uk. Representations may also be submitted by post to: Licensing Team, Business & Consumer Protection Service, Shirehall, Abbey Foregate, Shrewsbury, SY2 6ND.

PLEASE NOTE: The representation form must be received by the Licensing Team before the end of the consultation period stated on the site notice, newspaper notice and the Council's website, or it will not be accepted. Posted representations not received within a consultation period due to the postal system will be treated as late and not accepted.

- Where a representation is accepted as relevant, **the Council will share the representation in its entirety with the applicant and their agent.** This is to allow them an opportunity to consider the issues raised in the representation and discuss possible ways to mitigate the objector's concerns with them directly.
- Only in exceptional circumstances will personal details be redacted from representations. This will be when the Council considers that there is a genuine risk of intimidation / violence to the persons making representation. Persons making representations who consider this to be a risk should make it clear on their representation and they will be contacted to discuss further.
- At the end of the consultation period, if any representations remain, the name and address of persons making representations will be published on the report to the Licensing Sub Committee, which will be publicly available.

Rowley's Mansion Courtyard, Barker Street, Shrewsbury

Application no 57763

***Your representation must relate to one or more of the following four licensing objectives. Please detail the evidence supporting your representation or the reason for your representation. Please use separate sheets if necessary.**

THE PREVENTION OF CRIME AND DISORDER

The nature of the open courtyard, with open access / egress from two sides and an archway from a third, means that control of those coming and going will be next to impossible, unless some ghastly means are employed to achieve this.

Our SNT has done a wonderful job of improving behaviours in the town. This place would give them almost a full time job on top, for which they are not resourced and do not need. If the police express concerns then the Council MUST listen and must make decisions accordingly.

PUBLIC SAFETY

Any disorder that erupts can only spill onto the public highway and the surrounding pavements. This is a completely unacceptable risk, and will give Shrewsbury a dreadful reputation.

THE PREVENTION OF PUBLIC NUISANCE

How many business and residential premises front onto this courtyard?

Nuisance will arise from noise, from food smells, from litter, from people who are incapable of finding or queuing for the portaloos. And this will go on throughout the night at weekends. The level of nuisance to be expected is beyond all reason and certainly beyond any acceptability.

Noise will bounce off the surrounding buildings, be distorted and made worse for those on the receiving end of it.

People who have had even a modest few drinks and are enjoying themselves are much noisier than people in a fully sober state. Such people will be in this space for hours on end, and the noise hitting everyone in the local area will be unremitting. And that's before "music" is added into the mix.

This place is not suitable for any of the activities proposed in this application because the impacts of the activities will give rise to nuisance, will exacerbate crime and disorder, and will be a threat to public safety.

THE PROTECTION OF CHILDREN FROM HARM

Any children taken to this venue or passing by, or watching from windows, will get examples of adult behaviour which we do not want future generations to emulate.

Suggested conditions that could be added to the licence to remedy your representation or other suggestions you would like the Licensing Sub Committee to take into account. Please use separate sheets where necessary.

NO licence should be issued.

Once issued, a licence lasts for ever. The town will be stuck with this disaster.

- Generally, if there is to be a hearing to determine the premises licence application, the Licensing Sub Committee will only be able to consider matters that have been previously disclosed. No new evidence can be introduced at the hearing. It is therefore imperative that you detail all matters that you wish to be considered on this initial representation. Please attach additional sheet if necessary.
- If you make a representation, you will be expected to attend the Licensing Sub Committee hearing and any subsequent appeal process. **All representations in their entirety, including your name, address and contact details will be disclosed to the applicant for the premises licence and their agent.**
- If limited or withheld personal details are redacted from representations, where notice of a hearing is given to an applicant, the licensing authority is required under the Licensing Act 2003 (Hearings) Regulations 2005 to provide the applicant with copies of the relevant representations that have been made.

I/We fully understand that this representation will be made available to the applicant and included in the Sub Committee's Hearing papers which are publicly accessible documents, and any subsequent appeal court proceedings.
