

Subject: Shrewsbury Town Council

Dear Tim,

As a member of Shrewsbury Town Council I have an "Other Registerable Interest" in matters relating to the Town Council when they are discussed at meetings of Shropshire Council. As part of the commitment for the devolution of powers from Shropshire Council to the Town and Parish Councils, it will become necessary for the Council to consider arrangements for the discharge of certain functions by the Town Council. As an Executive Member of Shropshire Council involved in honouring that commitment, it is desirable that my knowledge can be shared when important decisions are taken.

In accordance with Paragraph 33(1) of the Localism Act 2011 I would be grateful if I could be granted a dispensation to participate and vote in all matters relating to the devolution of powers to Shrewsbury Town Council when they are considered at meetings of Shropshire Council, (including cabinet and any other formal decision making committees) on the grounds that, as a member also of the Town Council with detailed knowledge of its working practices and capabilities, my participation in such matters would be in the interests of persons living in the area covered by Shropshire Council.

Best,
Alex
