

The property (Mikey's) runs along the side of my downstairs bedroom/office; this is my main dwelling within Broseley house. Mikey's contains a commercial kitchen abutting my property along 2 walls, which may pose a fire risk to my property; it has recently been refurbished so I would hope it complies with soundproofing and fire-resistant materials. The facility is quite small with a single access/exit point, which may present a risk to customers, particularly when alcohol is being consumed. This doorway leads directly onto the road, so there is a risk of injury when vehicles are travelling on the Delph Side. This would be particularly relevant if revelers were intoxicated.

#### **THE PREVENTION OF PUBLIC NUISANCE**

As it stands presently, there is excess noise from the cafe which has meant me having to vacate my bedroom/office when the cafe is open. The noise includes music, dogs barking, shouting and general conversation as well as the extractor fan in the toilet and various machines in the kitchen. When the cafe is occupied and I want to sleep, I find it necessary to wear earplugs. If the property becomes licensed with the extended hours being asked for, this would become a real problem. There is also likely to be excessive noise and traffic movement caused by vehicles parking in what is a relatively confined area, which would be further exacerbated if the additional proposed pavement licence is approved.

#### **THE PROTECTION OF CHILDREN FROM HARM**

**Suggested conditions that could be added to the licence to remedy your representation or other suggestions you would like the Licensing Sub Committee to take into account. Please use separate sheets where necessary.**

- Generally, if there is to be a hearing to determine the premises licence application, the Licensing Sub Committee will only be able to consider matters that have been previously disclosed. No new evidence can be introduced at the hearing. It is therefore imperative that you detail all matters that you wish to

be considered on this initial representation. Please attach additional sheet if necessary.

- If you make a representation, you will be expected to attend the Licensing Sub Committee hearing and any subsequent appeal process. **All representations in their entirety, including your name, address and contact details will be disclosed to the applicant for the premises licence and their agent.**
- If limited or withheld personal details are redacted from representations, where notice of a hearing is given to an applicant, the licensing authority is required under the Licensing Act 2003 (Hearings) Regulations 2005 to provide the applicant with copies of the relevant representations that have been made.

**I/We fully understand that this representation will be made available to the applicant and included in the Sub Committee's Hearing papers which are publicly accessible documents, and any subsequent appeal court proceedings.**
