<p><b>1. Executive Summary</b></p> <p>The Community Safety Annual Report provides an opportunity to review the delivery against our priorities and consider how agencies have worked together to keep the people of Shropshire safe. It also provides an opportunity to feedback to the public and partners on the decisions that have been made and actions taken by the responsible authorities for Community Safety.</p> <p>The Community Safety Priorities for the period covered in this report are:</p> <ul style="list-style-type: none"> <li>➤ Reducing Reoffending</li> <li>➤ Drug and alcohol misuse</li> <li>➤ Tackling hate, community tensions and extremism</li> <li>➤ Domestic abuse</li> <li>➤ Violence reduction</li> <li>➤ Tackling Anti-social behaviour</li> </ul> <p>This year has been the beginning of a transition for the Community Safety Partnership in Shropshire. In July 2024 the Partnership had its Board separated from being a joined one with Adults and Children’s Safeguarding. Sub-groups were then established to deliver specific pieces of work that focused on the agreed priorities. Whilst this was a year of change, there were several achievements to be celebrated which are reflected within the report.</p>
