The original restrictions imposed on licensing for the terrace, mainly on the recommendation of the Environmental Health Officer, are as relevant now as they ever were.
This is predominantly a residential area and conversations on the balcony are clearly audible to residents surrounding it. Those conversations become louder when alcohol is consumed and this would be exacerbated by extended licensing hours.

I strongly urge you to reject this application.

THE PROTECTION OF CHILDREN FROM HARM

Suggested conditions that could be added to the licence to remedy your representation or other suggestions you would like the Licensing Sub Committee to take into account. Please use separate sheets where necessary.

- Generally, if there is to be a hearing to determine the premises licence application, the Licensing Sub Committee will only be able to consider matters that have been previously disclosed. No new evidence can be introduced at the hearing. It is therefore imperative that you detail all matters that you wish to be considered on this initial representation. Please attach additional sheet if necessary.
- If you make a representation, you will be expected to attend the Licensing Sub Committee hearing and any subsequent appeal process. **All representations in their entirety, including your name, address and contact details will be disclosed to the applicant for the premises licence and their agent.**
- If limited or withheld personal details are redacted from representations, where notice of a hearing is given to an applicant, the licensing authority is required under the Licensing Act 2003 (Hearings) Regulations 2005 to provide the applicant with copies of the relevant representations that have been made.

I/We fully understand that this representation will be made available to the applicant and included in the Sub Committee's Hearing papers which are publicly accessible documents, and any subsequent appeal court proceedings.
