THE PREVENTION OF PUBLIC NUISANCE

I am writing to formally object to the proposed variation of the premises licence held at Bobby's, The Parade, Shrewsbury, SY1 1DL.

It is important to note that there have been no material changes since the previous hearing. I therefore urge the committee to give due weight to the views of Robert Bowland, Environmental Protection Officer, who raised a formal objection to the original application and recommended a number of conditions. Environmental Protection's position remains unchanged: the use of the external terrace beyond 17:00 is likely to have an unacceptable impact on residential amenity.

Since the licence was granted, there have been multiple instances of non-compliance and disturbance, including:

- 2 June 2025 – construction noise continuing after 18:00
- 4 June 2025 – persistent cooking odours
- 14 June 2025 – amplified music and cooking odours; a Temporary Event Notice had been applied for and then withdrawn, making this a breach of licence conditions
- 21 June 2025 – alcohol being served without a substantial food offering
-

These incidents demonstrate a pattern of disregard for the existing licence conditions. In light of this, any extension to the current permissions would only exacerbate the negative impact on local residents.

This is a quiet residential area, and as previously highlighted by Environmental Protection, it should remain so—particularly after 17:00, when surrounding businesses close.

For these reasons, I strongly urge the committee to refuse this application and to protect residents' right to peace and quiet during the evening.

Suggested conditions that could be added to the licence to remedy your representation or other suggestions you would like the Licensing Sub Committee to take into account. Please use separate sheets where necessary.

- Generally, if there is to be a hearing to determine the premises licence application, the Licensing Sub Committee will only be able to consider matters that have been previously disclosed. No new evidence can be introduced at the hearing. It is therefore imperative that you detail all matters that you wish to be considered on this initial representation. Please attach additional sheet if necessary.
- If you make a representation, you will be expected to attend the Licensing Sub Committee hearing
