THE PREVENTION OF CRIME AND DISORDER
PUBLIC SAFETY

THE PREVENTION OF PUBLIC NUISANCE

I write to formally and strongly object to the proposed variation of the premises licence held at Bobby's, The Parade, Shrewsbury, SY1 1DL.

There have been no material changes since the previous hearing. In those circumstances, there is no justification for reaching a different conclusion. I urge the committee to give significant weight to the views of Robert Bowland, Environmental Protection Officer, who formally objected to the original application and recommended a number of conditions. Environmental Protection's position remains clear and unchanged: use of the external terrace beyond 17:00 is likely to result in an unacceptable impact on residential amenity.

Since the licence was granted, there have been repeated breaches and disturbances. These are not isolated incidents but demonstrate a clear and ongoing failure to comply with licence conditions. This raises serious concerns about the operator's willingness or ability to uphold any further conditions. Granting an extension in these circumstances would reward non-compliance and inevitably worsen the impact on local residents.

This is a quiet residential area, not a late-evening hospitality zone. As already recognised by Environmental Protection, the character of the area changes significantly after 17:00 when surrounding businesses close. Residents are entitled to expect peace and quiet in their homes during the evening, and that expectation is currently being undermined.

In light of the above, I strongly urge the committee to refuse this application. To do otherwise would be to disregard both professional advice and the lived experience of residents, and would result in further unacceptable harm to residential amenity.

Suggested conditions that could be added to the licence to remedy your representation or other suggestions you would like the Licensing Sub Committee to take into account. Please use separate sheets where necessary.

- Generally, if there is to be a hearing to determine the premises licence application, the Licensing Sub Committee will only be able to consider matters that have been previously disclosed. No new evidence can be introduced at the hearing. It is therefore imperative that you detail all matters that you wish to be considered on this initial representation. Please attach additional sheet if necessary.
- If you make a representation, you will be expected to attend the Licensing Sub Committee hearing and any subsequent appeal process. **All representations in their entirety, including your name, address and contact details will be disclosed to the applicant for the premises licence and their agent.**
