<p><b>THE PREVENTION OF CRIME AND DISORDER</b></p> <p>I am concerned about the very realistic potential increase of foot traffic (specifically inebriated customers) coming down St. Mary's Water Lane late after the bar's closing hours or any time after drinking and eating at the venue. The Blackfriars garage area off of St. Mary's Water Lane is particularly secluded and private which is most likely why it attracts individuals to "hang out". I have a garage there and over the last few years, I have been fearful to go there as I have seen various individuals (not residents) regularly loitering in the area. I have also seen broken glass bottles, discarded needles, syringes, and human waste on many occasions. Shropshire Council has been contacted regarding this and there are plenty of emails between myself and Chris Westwood at Shropshire Council on the matter. Although I was advised that a CCTV camera would be installed nearby, this has never happened. However, with or without the CCTV, it is still very much a concern. I worry that any extended hours may lead to further crime-drugs and anti-social behavior in the area.</p>

**PUBLIC SAFETY**

As above

**THE PREVENTION OF PUBLIC NUISANCE**

Whilst I enjoy music, both live and recorded, I do not want to be disturbed by it to the point that I cannot sleep or rest in the evening. I have no objection to recorded music or live music indoors but I do have serious objection to the extended hours listed on this application and the fact that it may be outdoors.

I am a light sleeper with a health condition requiring me to get adequate rest and sleep. I live close to the venue and any music played outdoors at the Parade car park I can hear loudly as evidenced during a music festival held there in the past. It is especially apparent during the summer months when the windows are open.

Please note this area was selected by me particularly for the peace and quiet it offers. If Bobby's extends the hours on the terrace and opens the doors in the evening, that peace and quiet will be destroyed.

**THE PROTECTION OF CHILDREN FROM HARM**

**Suggested conditions that could be added to the license to remedy your representation or other suggestions you would like the Licensing Sub Committee to take into account. Please use separate sheets where necessary.**

Although I cannot speak for others, it is obvious that every resident living in Blackfriars will be affected by the noise simply due to the proximity. And for that matter, the same applies to Watergate Mansions and The Court. The location of this restaurant is just not suitable for outdoor dining in the evening hours.
