Generally if there is to be a hearing to determine the premises licence application, the sub-committee will only be able to consider matters that have been previously disclosed. No new evidence can be introduced at the hearing. It is therefore imperative that you detail all matters that you wish to be considered on this initial representation. Please attach additional sheets if necessary.

If you do make a representation you will be expected to attend the Licensing Sub Committee and any subsequent appeal process. All representations in their entirety, including your name and address, will be disclosed to the applicant for the premises licence and any other interested parties. If all parties agree, the application can be dealt with without holding a hearing.
