Bobby's Units 21, 25 and 26 The Parade, St Marys Place, Shrewsbury SY1 1DL

***Your representation must relate to one or more of the following four licensing objectives. Please detail the evidence supporting your representation or the reason for your representation. Please use separate sheets if necessary.**

<p>THE PREVENTION OF CRIME AND DISORDER</p>
<p>PUBLIC SAFETY</p> <p>It is believed that any extension to the opening hours would impact on public safety in St Mary's Place. Access to the area is via a sloping walkway between Watergate Mansions and The Parade/The Court. This area opens to St Mary's Place on a very narrow corner behind St Mary's Church with poor lines of sight for any vehicles and a very narrow pavement which is on the opposite side of the road. The terrace area in question is immediately adjacent to one of the main fire escapes for the 31 private apartments above and could impact on the evacuation of the building.</p>
<p>THE PREVENTION OF PUBLIC NUISANCE</p>

The terrace is an open area above which are 31 residential apartments. The living and sleeping accommodation of The Court, Watergate Mansions and Upper Blackfriars is in very close proximity from the outdoor area used by Bobby's. This proposed extension to their present licence would seriously impact on the residents enjoyment of their homes, not only from the noise created by the diners and the service staff, but also from the cooking smells. To date these cooking smells are still being experienced within the residential parts of The Court as the extraction system is still not working efficiently

THE PROTECTION OF CHILDREN FROM HARM

This is the third time of seeking a licence to open in the evenings. Surely there should be some limitation as to how many times they can apply or is this to be an annual event? I would respectfully suggest that this variation to the original conditions be refused with the additional condition that there should be no further such applications made.

Generally, if there is to be a hearing to determine the premises licence application, the Licensing Sub Committee will only be able to consider matters that have been previously disclosed. No new evidence can be introduced at the hearing. It is therefore imperative that you detail all matters that you wish to be considered on this initial representation. Please attach additional sheet if necessary.

If you make a representation, you will be expected to attend the Licensing Sub Committee hearing and any subsequent appeal process. **All representations in their entirety, including your name, address and contact details will be disclosed to the applicant for the premises licence and their agent.**

If limited or withheld personal details are redacted from representations, where notice of a hearing is given to an applicant, the licensing authority is required under the Licensing Act 2003 (Hearings) Regulations 2005 to provide the applicant with copies of the relevant representations that have been made.

I/We fully understand that this representation will be made available to the applicant and included in the Sub Committee's Hearing papers which are

the above conditions
