THE PREVENTION OF CRIME AND DISORDER
<p>For quite a considerable period of time it has been noticeable that the area around St May's Church (St Mary's Place) has been plagued by public disorder, unsocial behaviour and the evidence of crime(s). The work load and requirement of Police Community Support Officers (CPSO's) and other agencies in the area has increased dramatically but the "finger in the dam" that they provide will undoubtedly be breached should the license application 60566 for Live in The House Ltd in St Mary's Church be granted to serve alcohol from 18.00 to 22.00 and should Bobby's be granted a license extension from the current 17.00 cut off to 20.30.</p> <p>Bobby's being granted a license extension will, in my humble opinion, make the prevention of crime and disorder increasingly difficult and the lovely town centre environment of St Mary's and the glorious grade 2 listed building that is the Parade (both significant Shrewsbury assets) will degrade rapidly and significantly. I, therefore, ask you to please reject the current application by Bobby's.</p>

PUBLIC SAFETY

The access to Bobby's is via a ramp from the corner of St Mary's Place and down into The Parade lower level.

People entering/leaving the Parade in this section are required to cross the road to access the pavement on the opposite side of the road. This section of road – although not a legal parking zone – is regularly clogged with cars throughout the day and restricts access to the many vehicles trying to pass through, making navigating to the safer pavement difficult – especially for people with impaired mobility and, oftentimes, parents with children in prams etc.

The access ramp being on the corner of St Mary's Place is a blind spot and with the large amount of vehicle activity (especially large vans) throughout the day poses risks to public safety.

A further impediment to public safety is the continued positioning of advertising A Boards that Bobby's places at the top of the ramp and encroaching on the road itself – further restricting vehicular passage and further prohibiting any safe public access into and out of the Parade.

THE PREVENTION OF PUBLIC NUISANCE

There are many residents with properties within metres of Bobby's large "Temporary" structure which has been erected on the terrace of the Parade and would, if the extension to opening hours is granted, have to endure even more disruption to their enjoyment of the Grade 2 listed building they chose as their homes with the onset of, most obviously, an increase in public noise, cooking smells and the potential for more unsocial behaviour.

Residents a little further away from the terrace area – Watergate Mansions, Blackfriars and across the river - would also not escape the negative impact that any extension to opening hours and consumption of alcohol will have.

THE PROTECTION OF CHILDREN FROM HARM

Suggested conditions that could be added to the licence to remedy your representation or other suggestions you would like the Licensing Sub Committee to take into account. Please use separate sheets where necessary.

- Generally, if there is to be a hearing to determine the premises licence application, the Licensing Sub Committee will only be able to consider matters that have been previously disclosed. No new evidence can be introduced at the hearing. It is therefore imperative that you detail all matters that you wish to be considered on this initial representation. Please attach additional sheet if necessary.
- If you make a representation, you will be expected to attend the Licensing Sub Committee hearing and any subsequent appeal process. **All representations in their entirety, including your name, address and contact details will be disclosed to the applicant for the premises licence and their agent.**
- If limited or withheld personal details are redacted from representations, where notice of a hearing is given to an applicant, the licensing authority is required under the Licensing Act 2003 (Hearings) Regulations 2005 to provide the applicant with copies of the relevant representations that have been made.

I/We fully understand that this representation will be made available to the applicant and included in the Sub Committee's Hearing papers which are publicly accessible documents, and any subsequent appeal court proceedings.
