**\*Your representation must relate to one or more of the following four licensing objectives. Please detail the evidence supporting your representation or the reason for your representation. Please use separate sheets if necessary.**

<b>THE PREVENTION OF CRIME AND DISORDER</b> The selling of alcohol would encourage a drinking culture on those nights when open and the possibility of an increase in low level disorder when guests are leaving the Bar which invariably will make its ways out into the local streets including down St Marys Water Lane where there is no CCTV where we are already experiencing ongoing anti-social behaviour particularly in the garage area and down along the river towpath. Another concern is the potential increase to the disposal of bottles and cans from the Parade car park area into the trees and shrubs behind Blackfriars.
<b>PUBLIC SAFETY</b> The location overlooks the private Blackfriars meadow by the river which has tables and a bench. This may encourage patrons of the Bar to try and access with their drinks either down St Marys Water Lane or more dangerously over the metal boundary fence and down a very steep slope . This occurred previously at a pop up event held by Bobbys when a number of groups of people approached the meadow from the Lane but fortunately they turned back on seeing the private sign on the gate but it was still disruptive.

**THE PREVENTION OF PUBLIC NUISANCE**

This Bar sits in a predominately quiet residential area and this application will increase the possibility of public nuisance for the many private homes in the immediate vicinity , including my own which even though being the top floor of Upper Blackfriars is at the same level and only yards away from this restaurant. I am particularly concerned about noise nuisance as experienced at the pop up event held in the same location when both the music and general noise was of an excessive volume and therefore intrusive and any extension to current hours would not be acceptable.

**THE PROTECTION OF CHILDREN FROM HARM****Suggested conditions that could be added to the licence to remedy your representation or other suggestions you would like the Licensing Sub Committee to take into account. Please use separate sheets where necessary.**

When considering this application please give serious thought to how this will affect the nearby residents.

I would be grateful if the Licensing team would consider my objection to this license being granted.

- Generally, if there is to be a hearing to determine the premises licence application, the Licensing Sub Committee will only be able to consider matters that have been previously disclosed. No new evidence can be introduced at the hearing. It is therefore imperative that you detail all matters that you wish to be considered on this initial representation. Please attach additional sheet if necessary.
- If you make a representation, you will be expected to attend the Licensing Sub Committee hearing and any subsequent appeal process. **All representations in their entirety, including your name, address and contact details will be disclosed to the applicant for the premises licence and their agent.**
- If limited or withheld personal details are redacted from representations, where notice of a hearing is given to an applicant, the licensing authority is required under the Licensing Act 2003 (Hearings) Regulations 2005 to provide the applicant with copies of the relevant representations that have been made.

**I/We fully understand that this representation will be made available to the applicant and included in the Sub Committee's Hearing papers which are publicly accessible documents, and any subsequent appeal court proceedings.**

**If this form is sent as an email attachment, its transmission will confirm that you have agreed the above conditions**
