⁴ "body in which the relevant person has a beneficial interest" means a firm in which you or your partner is a partner or a body corporate of which you or your partner is a director, or in the securities of which you or your partner has a beneficial interest; and "director" includes a member of the committee of management of an industrial and provident society

⁵ "land" excludes an easement, servitude, interest or right in or over land which does not carry with it a right for the relevant person (alone or jointly with another) to occupy the land or to receive income;

1. Introduction

2. Methodology

The first part of the study involves a detailed analysis of the data collected from the various sources. This includes a thorough review of the literature and a comparison of the results with previous studies. The methodology used in this study is based on a combination of qualitative and quantitative methods.

The second part of the study focuses on the results of the analysis. This includes a discussion of the findings and their implications for the field of study. The results show that there is a significant correlation between the variables studied.

3. Results

The results of the study are presented in this section. The data shows that there is a strong positive correlation between the variables studied. This is supported by the statistical analysis conducted.

The findings of this study have important implications for the field of study. They suggest that there is a need for further research in this area to better understand the underlying mechanisms.

4. Conclusion

In conclusion, the study has shown that there is a significant correlation between the variables studied. The findings have important implications for the field of study and suggest the need for further research.

<p><u>Corporate tenancies</u></p> <p>Any tenancy where (to your knowledge)— (a) the landlord is the Council ; and (b) the tenant is a body in which you or your partner has a beneficial interest.</p>	<p>N/A</p>
<p><u>Securities</u></p> <p>Any beneficial interest in securities⁶ of a body where— (a) that body (to your knowledge) has a place of business or land in the area of the Council ; and (b) either—</p> <p>(i) the total nominal value of the securities exceeds £25,000 or one hundredth of the total issued share capital of that body; or</p> <p>(ii) if the share capital of that body is of more than one class, the total nominal value of the shares of any one class in which you or your partner has a beneficial interest exceeds one hundredth of the total issued share capital of that class.</p>	<p>N/A</p>

NOTES ON SENSITIVE INTERESTS

An interest is sensitive if its nature is such that you, and your Monitoring Officer, consider that its disclosure could lead to you, or a person connected with you, being subject to violence or intimidation

The nature of your sensitive interest will not appear in the published register of interests but it may be recorded that you have a sensitive interest.

I hereby undertake in accordance with The Localism Act 2011 to notify, in writing, the Monitoring Officer, within 28 days, of any disclosure made at a meeting of a disclosable pecuniary interest which is not already included above

Signed... [REDACTED] Dated..... 30/4/2021

This form should be returned to Claire Porter, Monitoring Officer, Shropshire Council, The Shirehall, Abbey Foregate, Shrewsbury, SY2 6ND

April 2017

⁶ "securities" means shares, debentures, debenture stock, loan stock, bonds, units of a collective investment scheme within the meaning of the Financial Services and Markets Act 2000 and other securities of any description, other than money deposited with a building society.

1. The first part of the document discusses the importance of maintaining accurate records of all transactions and activities. It emphasizes that this is crucial for ensuring transparency and accountability in the organization's operations.

2. The second part of the document outlines the various methods and tools used to collect and analyze data. It highlights the need for consistent data collection procedures and the use of advanced analytical techniques to derive meaningful insights from the data.

3. The third part of the document focuses on the implementation of data-driven decision-making processes. It discusses how the collected data is used to identify trends, assess risks, and make strategic decisions that align with the organization's goals and objectives.

4. The fourth part of the document addresses the challenges and limitations of data analysis. It notes that while data provides valuable insights, it is not infallible and must be interpreted with care, taking into account potential biases and uncertainties.

5. The fifth part of the document concludes by summarizing the key findings and recommendations. It stresses the importance of ongoing monitoring and evaluation of the data analysis process to ensure its effectiveness and relevance in a rapidly changing business environment.
