Introduction

The authority has discretion to award business rates relief and rural rate relief to certain qualifying businesses and a Business Rate and Council Tax discount in certain circumstances that it sees fit. This report recommends the circumstances in which these reductions are awarded and the process to be followed.

Background Information

1. The Local Government Finance Act (LGFA) 1988 provides that Local Authorities can award a discretionary relief to ratepayers in various circumstances. The Local Government Act 2003 extended the Council discretion to allow discretionary Council Tax discount to be awarded where the Council sees fit and the Localism Act 2011 extended the Council's power to award business rate discounts. The areas for discretionary consideration are listed below.

Discretionary Charitable Top-Up Relief (Section 47 LGFA 1988)
Discretionary Charitable Rate Relief (Section 47 LGFA 1988)
Rural Discretionary Relief (Section 47 LGFA 1988)
Hardship Relief (Section 49 LGFA 1988)
Local Business Rate Discounts (Section 47 LGFA 1988)
Part Occupied Relief (Section 44A LGFA 1988)
Section 31 Grants/Autumn Statement Relief (Section 47 LGFA 1988)
Council Tax Discretionary Discounts (Section 13A Local Government Finance Act 1992)

2. Up until 1 April 2013 business rate relief was funded in the following manner.

Mandatory Relief – fully funded by Central Government
Discretionary Top-Up Relief – 25% Government and 75% Shropshire Council
Discretionary Relief – 75% Government and 25% Shropshire Council
Rural Mandatory Relief – fully funded by Central Government
Rural Discretionary Relief – 75% Government and 25% Shropshire Council
Hardship Relief (Section 49) – 75% Government and 25% Shropshire Council
Part Occupied relief (Section 44A) – fully funded by Central Government
Local Discounts – Fully funded by Shropshire Council

3. Under the current system of rates retention (post 1 April 2013) Shropshire Council bears the cost of 49% of any relief awarded, with the government bearing the cost of 50% and the Fire Authority 1%
4. Shropshire Council's discretionary relief policy was first approved by Cabinet on 21 July 2010. Two amendments to the policy were approved by Cabinet on 14 December 2011. The policy was last considered by Council on 14 May 2015.

Discretionary Charitable Top-Up Relief

Guidance

5. On receipt of an application for charitable relief, billing authorities should first consider whether the institution or organisation is eligible for mandatory relief.
6. To qualify for mandatory relief the property must be wholly or mainly used for charitable purposes and the institution or organisation must be established for charitable purposes. Registration under the charities Act 1993 is conclusive evidence of charitable status.
7. Mandatory Relief of 80% of the full rate liability for charities and other organisations is provided for in sections 43 and 45 of the 1988 act.
8. Under section 47 of the 1988 Act Shropshire Council has the discretion to top-up this relief to 100%.

Community Amateur Sports Clubs (CASCS)

9. Registered CASCS are entitled to mandatory relief at the same level as charities. This provision came into force with effect from 1 April 2004.
10. CASCS are defined by Schedule 18 Finance Act 1988 and registration forms are available from the Inland Revenue Website.
11. As with charities, billing authorities are also allowed to top-up the remaining 20%.

Charity Shops

12. Charity Shops are entitled to 80% mandatory relief providing that they are registered charities and they are used wholly or mainly for the sale of donated goods and the proceeds of the sale of goods are applied for the purposes of the charity.

Financial Implications

13. With effect from 1 April 2013 and the introduction of the rate retention scheme the cost of all reliefs is split between the government (50%), the billing authority (49%) and the Fire Authority (1%).

Approved Relief in Shropshire

14. To award 20% top-up to those local or national charities that provide a benefit to the local community that are classed as:
 - Community Centres, Village Halls, Meeting Rooms
 - Scouts, guides, cadets and youth clubs
 - Museums

- Drop in/advice centres
 - Nursery/pre schools
 - Sports/community centres providing sporting leisure facilities to the general public with no membership requirement
 - Provision of care and support to vulnerable people
 - Animal Welfare
 - Advancement of religion or the arts
15. Award 20% top-up to sports clubs that can demonstrate that:
- They are registered CASCS
 - Their membership is mainly composed of active membership rather than social membership
 - The club is accessible to all.
 - The club has achieved the CLUBMARK accreditation standard
 - (CLUBMARK and associated individual sports equivalents is the only national cross sports quality accreditation scheme for clubs with junior sections. It is built around a set of core criteria which ensure that accredited clubs operate to a set of consistent, accepted and adopted minimum operation standards).
16. Award charity shops with the 20% top up if they evidence that 90% of their gross profit is invested in the local community
17. To delegate the determination of applications for discretionary top up relief outside this policy to the Council's Section 151 Officer with any appeal against that decision to be heard by the General Appeals Panel.

Discretionary Relief for Charities

Guidance

18. Where the property does not qualify for mandatory relief authorities can still consider the award of a discretionary rate relief under section 47 of LGFA 1988. Authorities have discretion to award up to 100% to certain non-profit making bodies.
19. To be eligible for consideration the ratepayer:
- Must be a charity or trustees of a charity and the property must be wholly or mainly used for charitable purposes; or
 - The property is not an excepted property and all or part of it is occupied for the purposes of one or more institutions none of which is established or

conducted for profit and each of whose objects are charitable or otherwise philanthropic or religious or concerned with education, social welfare, science, literature or the fine arts: or

- The property is not an excepted property and is wholly or mainly used for the purposes of recreation, and all or part is occupied for the purposes of a club, society or other organisation not established or conducted for profit.

20. Discretionary relief may not be granted where the hereditament is an excepted property, such as a billing authority or a precepting authority.

Financial Implications

21. With effect from 1 April 2013, under the arrangements for local business rate retention, the cost of all reliefs is split between the Government (50%), Shropshire Council (49%), and the Fire Authority (1%).

Approved Relief in Shropshire

22. To award Village Halls and Community Centres 100% discretionary rate.
23. To award other similar voluntary organisations (e.g. Senior Citizens Clubs, Scouts/Guide Huts) whose emphasis is on recreational activity rather than social activity 100% discretionary rate relief.

Social Enterprises

24. To award 100% discretionary relief to social enterprises that that provide benefit to the local community and are:-
- Community Interest Companies that are limited by guarantee providing that they:-
 - Are registered as a Community Interest Company. Reference can be made to Gov.Uk website on Community Interest Companies and to Companies House
 - <https://www.gov.uk/government/organisations/office-of-the-regulator-of-community-interest-companies>
 - <http://www.companieshouse.gov.uk/>
 - Also the Company's Articles of Association or Memorandum should clearly state that any surplus of income over expenditure will be applied in a particular manner to ensure that no profit is actually made
 - Not conducted for profit
 - Do not remunerate the Directors of the Company
 - Industrial and Provident Societies and Companies Limited by Guarantee providing that they:-
 - Are a not for profit company.

- Provide benefit for the local community.
 - Not for profit companies are normally limited by guarantee (as opposed to shares)
 - Reference should be made to Companies House website above
 - Also the Company's Articles of Association or Memorandum should clearly state that any surplus of income over expenditure will be applied in a particular manner to ensure that no profit is actually made.
 - Do not remunerate the Directors of the Company
25. To delegate the determination of applications for discretionary relief outside this policy to the Council's Section 151 Officer with any appeal against that decision to be heard by the General Appeals Panel.

Rural Discretionary Relief

Guidance

26. The Local Government Finance and Rating Act 1997 introduced a scheme of 50% mandatory rate relief for certain kinds of property with effect from 1 April 1998. To qualify businesses must be within a rural settlement with a population of not more than 3,000.
27. The Rural Settlement List for Shropshire is at Appendix B.
28. Mandatory rate relief applies to a qualifying property which is within a settlement identified in an authority's rural settlement list for the chargeable financial year where its rateable value is not, at the beginning of the year in question more than a relevant prescribed amount. The rateable value limits are as follows:
- For qualifying sole shop, general store or post office £8,500.
 - For qualifying sole petrol filling station or pub £12,500.
29. In addition discretionary rate relief may be allowed if:
- The property is in a rural settlement
 - The rateable value of the property is £16,500 or less.
 - The property is used for purposes which are of benefit to the local community:
and
 - It is reasonable for the Council to grant relief taking into account the interests of its council taxpayers

Financial Implications

30. With effect from 1 April 2013, under the arrangements for local business rate retention, the cost of all reliefs is split between the Government (50%), Shropshire Council (49%), and the Fire Authority (1%).

Approved Relief in Shropshire

31. To award 25% rate relief to qualifying post offices and general stores and to delegate the determination of applications for rural rate relief outside this policy to the Council's Section 151 Officer with any appeal against that decision to be heard by the General Appeals Panel.
32. In 2016 the Government announced their intention to legislate to award mandatory rural rate relief of 100% to qualifying rural business. As yet the legislation to allow this has not been passed. Instead, the Government have required billing authorities to award 100% relief to qualifying rural businesses using discretionary powers and this is fully funded by the Government via payment of Section 31 grant.

Hardship Relief

33. Section 49 of the Local Government Finance Act 1988 provides that the Council may reduce or remit any amount that a person is liable to pay in respect of Non-Domestic Rates. The Council cannot act under this section unless it is satisfied that:
 - The ratepayer would sustain hardship if the authority did not do so, and
 - It is reasonable for the authority to do so, having regard to the interest of its council tax payers.
34. Any amount up to 100% of the rates liability can be remitted.
35. Government guidance on the award of hardship relief is that each case must be treated on its merits and a 'blanket policy' must not be adopted.

Financial Implications

36. With effect from 1 April 2013, under the arrangements for local business rate retention, the cost of all reliefs is split between the Government (50%), Shropshire Council (49%), and the Fire Authority (1%).

Options

37. The recommendation is to delegate the determination of non-domestic rate hardship relief to the Council's Section 151 Officer with any appeal against that decision to be heard by the General Appeals Panel.

Local Discounts

38. The Localism Act 2011 removed the previous restriction that discretionary relief could only apply to charities and other organisations of prescribed type. However discretionary relief may not be granted where the hereditament is an excepted hereditament such as a billing authority or a precepting authority.

Financial Implications

39. With effect from 1 April 2013, under the arrangements for local business rate retention, the cost of all reliefs is split between the Government (50%), Shropshire Council (49%), and the Fire Authority (1%).

Options

40. The recommendation is to delegate the determination of non-domestic rates local discounts to the Council's Section 151 Officer with any appeal against that decision to be heard by the General Appeals Panel.

Part Occupied Relief

41. This can be awarded where business premises are partly occupied or not fully occupied providing that the situation exists for a short time. When awarding the relief Shropshire Council ask the Valuation Office to provide amended rateable values based on the occupied and unoccupied areas.

Financial Implications

42. With effect from 1 April 2013, under the arrangements for local business rate retention, the cost of all reliefs is split between the Government (50%), Shropshire Council (49%), and the Fire Authority (1%).

Options

43. The recommendation is to delegate the determination of non-domestic rate part-occupied relief to the Council's Section 151 Officer with any appeal against that decision to be heard by the General Appeals Panel.

Section 31 Grant Relief (Autumn Statement)

44. Since 2012 the Government has required Billing Authorities to grant relief to businesses in various circumstances. These reliefs are awarded under Section 47 of the Local Government Finance Act 1988 (discretionary powers) but the Council are fully compensated for the cost of these reliefs through payment of grant under Section 31 of Local Government Act 2003.

Financial Implications

45. The full cost of awarding these reliefs are covered by the Government through a Section 31 grant payment.

Options

46. The authority should delegate authority to award **any reliefs** that are awarded under Section 47 Local Government Finance Act 1988 but fully compensated via Section 31 grant payment, to the Council's Section 151 Officer.

Council Tax Discretionary Discount

47. The Local Government Act 2003 introduced a new power as Section 13A of the Local Government Finance Act 1992, whereby a billing authority may reduce the liability of a council tax payer to such extent as it sees fit.
48. The power can be exercised in relation to particular cases or by determining a class of case in which liability is to be reduced.

Financial Implications

49. Any cost associated with such a reduction is borne by the billing authority.

Options

50. The authority should have a due process for consideration of applications for discretionary council tax discount.

Process to consider applications to the authority to exercise its discretion

51. Requests for Section 13A discount may come from a variety of people for a variety of reasons.
52. Where applicants for discretionary discount are applying due to financial hardship consideration will be given to:
 - The applicants personal circumstances
 - The applicants income and expenditure and budget management
 - Any savings or assets available to the applicant
 - Any discount, relief, exemption, benefit, or any other financial assistance the applicant may be entitled to
 - Any other factors the authority deems to be relevant
53. In order to properly understand the claimants circumstances the applicant will be asked to provide reasonable evidence in support of their application. This may include:
 - Income and Expenditure statement
 - Documentary evidence to verify information provided on Income and Expenditure statements
 - Evidence that all other benefit eligibility has been explored thoroughly and maximised
 - Evidence of any applications made to other organisations for financial assistance
 - Any special circumstances that the Council is aware of

- Any other relevant documentation
- 54. Government guidelines state that an authority may delegate the decision making process on applications for discretionary relief either to individual officers or committees.
- 55. The authority should have a mechanism that allows applicants to appeal against a decision by an authority to revoke, reject or restrict the award of discretionary relief. The same officials that made the original decision should not consider appeals. Guidelines suggest that it may be appropriate to refer any appeal to a panel of council members, especially where an officer of the council made the original decision under delegated powers.
- 56. The timescales for appealing against a decision of a billing authority in relation to council tax liability are set out in Section 16 of the Local Government Finance Act 1992. This allows a person to appeal directly to the Valuation Tribunal if they have received no notification from the billing authority within two months of appealing against a decision.

Recommendation

- 57. The recommendation is to delegate the determination of council tax discretionary discount awards to the Council's Section 151 Officer with any appeal against that decision to be heard by the General Appeals Panel. Where an appeal against a decision of Section 151 Officer is received the General Appeal Panel of Members will hear the appeal within two months of the appeal being received.
- 58. The council tax payer may appeal directly to the Valuation Tribunal if they remain dissatisfied with the outcome of the appeal, or if they have received no notification from the billing authority within two months of appealing against a decision of Section 151 Officer.
- 59. The flowchart at Appendix C details the process for considering requests for Section 13A discount.

1. Background

1.1 Legislation

With effect from 1st April 1998, the Local Government Finance and Rating Act 1997 introduced a scheme of mandatory rate relief for certain kinds of hereditament situated in 'rural settlements'. A 'rural settlement' is defined as a settlement that has a population of not more than 3,000 on 31st December immediately before the chargeable year in question.

The Non-Domestic Rating (Rural Settlements) (England) (Amendment) Order 2009 (S.I. 2009/3176) prescribes the following hereditaments as being eligible with effect from 1st April 2010:-

- Sole food shop within a rural settlement and has a RV of less than £8,500;
- Sole general store within a rural settlement and has a RV of less than £8,500;
- Sole post office within a rural settlement and has a RV of less than £8,500;
- Sole public house within a rural settlement and has a RV of less than £12,500;
- Sole petrol filling station within a rural settlement and has a RV of less than £12,500;

Section 47 of the Local Government Finance Act 1988 provides that a billing authority may grant discretionary relief for hereditaments to which mandatory relief applies, and additionally to any hereditament within a rural settlement which is used for purposes which are of benefit to the local community.

1.2 Current Discretionary Rate Relief Policy

Currently, Shropshire Council's discretionary rate relief policy, as agreed by Council on 14 May 2015, allows the following awards to be made:-

- 25% to the sole post office within the rural settlement that qualify for mandatory relief;
- 25% to the sole village shop within the rural settlement that qualify for mandatory relief.

1.3 Source of Information

The population figures are currently based upon the 2011 Census, the relevant details of which are contained in Section 2.

The following tables in Section 3 details such rural settlements within Shropshire Council's area of responsibility.
