SEN Updates – Garry Dean  
Spring 2019

## Annual / Transition Reviews

It is necessary for the SEN Team to amend and finalise EHCP's for children transitioning to their next phase of education before the end of the Spring term

To reduce the 'bottleneck' of the autumn term and to spread the workload the SEN team will use Year 5 AR's that take place within the Summer term to inform the amended plan.

Year 6 AR's due in the Autumn and Spring term will need to take place before 1<sup>st</sup> December.

Year 6 summer reviews can remain in the Summer term

A separate transition meeting should be planned for the Spring term.,

## Annual Reviews

Ensure that all practitioners and services involved with a child are invited to attend or contribute to any Annual Reviews.
