### **Private Water Supply Fee Structure- As of August 2020**

The Government expects Local Authorities to recoup the costs for undertaking the requirements within the Private Water Supply Regulations.

<b>Service</b>	<b>Costs</b>
Risk Assessment (each assessment)	£300-£500 dependent on scale of the site
Auditing Risk Assessments carried out by others	£100
Sampling (per visit)	£100
Investigation (per investigation)	£100

#### **Analysis:**

The actual cost of sample analysis will be charged in addition to the administration fees. For example, the standard analysis suite is currently £33.05.
