

## Admissions Policy 2022 for Proposed Bowbrook School

The appointed Trust is the admission authority for the proposed primary school at Bowbrook.

For admissions to Reception Year, application must be made through Shropshire Council (or the relevant home local authority) by 15<sup>th</sup> January prior to the academic year in which the child is due to start school. All applications received by this date will be considered and parents will be informed by Shropshire Council on 16<sup>th</sup> April (or next working day) if they have been allocated a place for their child. Further details can be found in the Parents' Guide to Education booklet on the website [www.shropshire.gov.uk/schooladmissions](http://www.shropshire.gov.uk/schooladmissions).

The academy has an admission limit of \*\* for entry into Reception. The academy will accordingly admit at least \*\* each year if sufficient applications are received. All applicants will be admitted if \*\* or fewer apply.

### **Oversubscription criteria**

The academy will admit any pupils with an Education, Health and Care plan naming the school. Priority will then be given to those children who meet the criteria in the order set out below:

- 1a. Looked after children and children who were previously looked after but immediately after being looked after became subject to adoption, a child arrangements order, or special guardianship order.<sup>1</sup>
- 1b. Children who appear to the admission authority of the school to have been in state care outside of England and ceased to be in state care as a result of being adopted.<sup>2</sup>
2. Children living in the designated catchment area<sup>4</sup> of the school (see map below). If there are not enough places for all the children in the catchment area, then the following criteria will apply in order:
  - 2a. Priority will be given to children living in the catchment area who will have an older sibling<sup>3</sup> on roll at the school on the day they are due to start school.
  - 2b. After that, priority will be given to other children who live within the catchment area.
3. Children living outside the designated catchment area will be offered places. If there are not enough places for all the children in the catchment area, then the following criteria will apply in order:
  - 3a. Children who will have an older sibling<sup>3</sup> at the school on the day they are due to start school.
  - 3b. All other children.

Each of the categories and sub-categories above will be rank ordered according to the distance from home to school as a straight line measurement. For admissions purposes all distances are measured as a straight line distance on a computerised mapping system between the home address and the nearest pedestrian entrance gate of the school by pinpointing the eastings and northings, the shortest distance being given highest priority. Where two addresses are within the same block of flats, the lowest number of flat nearest the ground floor will be deemed to be the nearest in distance.

In the event that two applications are exactly the same after all other criteria have been taken into account a tie breaker will be used. This will be by random allocation and overseen by an independent party not connected with the admissions process. However, if children of multiple birth (twins and triplets) are tied for the final place, those siblings will be admitted over PAN as permitted by infant class size rules.

All applicants are required to give correct information about the genuine residential address of the child. Where any information regarding a home address is found to be fraudulent or misleading a school place may be withdrawn even if the child has been admitted to the school. Where separated parents share care of their child, the home address will be deemed to be the address where the child spends the majority of school nights (term-time Sunday to Thursday). Where this results in an equal number of nights, the home address of the parent claiming child benefit will be used for school admission purposes.

### **Notes:**

<sup>1</sup> A looked after child is a child who is in the care of a local authority in England, or is being provided with accommodation by a local authority in England in the exercise of their social services functions.

<sup>2</sup> A child is regarded as having been in a state care in a place outside of England if they were accommodated by a public authority, a religious organisation or any other provider of care whose sole purpose is to benefit society.

<sup>3</sup> 'Sibling' means a natural brother or sister, a half brother or sister, a legally adopted brother or sister or half-brother or sister, a step brother or sister, or other child living in the same household who, in any of these cases, will be living with them at the same address at the date of their entry to the academy. However, cousins, other relatives or friends who take up residence in a home in order to establish an 'in catchment area' address will not be given priority under the sibling criterion.

<sup>4</sup> Applicants will only be considered as resident in the designated catchment area when formal confirmation of the address (an exchange of contracts or signed tenancy agreement) has been received.

## **When can my child start school?**

Children can attend primary education from the September following their 4th birthday. The law requires that children attend school from the prescribed day<sup>4</sup> following their 5th birthday. Parents can request that the date their child is admitted to the school is deferred until later in the school year, or until the child reaches compulsory school age in that year. They can also request that their child attends part-time until they reach compulsory school age. However, places cannot be deferred until the next academic year.

<sup>4</sup> Children become of compulsory school age on the first prescribed day following their 5<sup>th</sup> birthday: 31 August, 31 December or 31 March (or on that day if any of these dates are the child's birthday).

## **Admission of children outside their normal age group**

Parents may seek a place for their child outside their normal year group with a different cohort, although children must have started school when they reach compulsory school age.

Requests to defer starting Reception, must be made to Shropshire Council's School Admissions Team at the same time as the application for a school place and by the closing date of 15 January. Shropshire Council will gather as much information about the child as possible. Parents may submit documentation in support of their request and information may be provided by the current educational or early years setting. Consideration will be

given to exceptional circumstances in a child's development, medical history and premature birth, if applicable. Very exceptionally, an assessment by an educational psychologist may be appropriate. When all the information is collated, the request will be considered by the admission authority. The decision will be made on the individual circumstances of the case and whether it is in the child's best interests to join a different cohort. If a deferred entry is approved, the school place application will be withdrawn, and parents will need to re-apply the following year. **An agreed deferral does not guarantee a place at the school the following year; a fresh application must be considered in terms of oversubscription criteria along with all the other applications received for that year group.** If a request is refused, the child will still be considered for admission to their normal age group.

## **Mid-term applications**

The new school at Bowbrook is expected to admit pupils only to Reception in the first year of opening. Additional year groups will open year on year according to demand and class organisation.

Mid-term applications will be considered using the same admissions criteria given above. To apply for a place other than the start of Reception, parents should apply directly to the school on a mid-term application form available the Shropshire Council website [www.shropshire.gov.uk/schooladmissions](http://www.shropshire.gov.uk/schooladmissions) or from school. If that year group is operational and there is a space available a place will be granted. If the application is for a place in an over-subscribed but operational year group, then the Trust will consider whether additional places can be offered above the published admission number.

If a place cannot be offered, parents will receive a formal letter and information on how to appeal against the decision.

## **Waiting list**

Other than the first term of Reception year, the school will maintain a waiting list for unsuccessful applicants held in order of oversubscription criteria. Shropshire Council will operate the Reception waiting list for the first term of the academic year of admission after which the school will operate the waiting list. If any vacancies arise, places will be offered to applicants at the top of the waiting list. If a place can be offered, the applicant will be expected to take up the place within 6 school weeks or by the start of the next half term, whichever is the earliest date, with the exception of Reception children who have deferred entry until later in the same academic year. The waiting list will be reordered in accordance with the oversubscription criteria whenever anyone is added to or leaves it. If an offer of a place is refused, the name will be removed from the waiting list.

## **Appeals**

All applicants refused a place have a right of appeal to an independent appeal panel constituted and operated in accordance with the School Admission Appeals Code. Appellants should contact Shropshire Council School Admissions Team for information on how to appeal. Information on the timetable for the appeals process is on the website [www.shropshire.gov.uk/schooladmissions](http://www.shropshire.gov.uk/schooladmissions). Parents must be given at least 20 school days from the date of notification that their application was unsuccessful to lodge an appeal.

## **Catchment Area**

The proposed catchment area for the new school is shown in green below. Not all year groups will be available until the school is fully populated and so homes will initially have dual catchment areas.
