Relevant body:

We confirm that we are the relevant body to undertake neighbourhood plan in our area in accordance with section 61G of the 1990 Act and section 5C of the 2012 Regulations.

Name of Council TASLEY PARISH COUNCIL

Extent of the area:

Whole Parish boundary area – please see map attached.

Justification statement:

Tasley Parish is situated to the north west of the market town of Bridgnorth.

For many years, Tasley was a scattered rural community. However two new housing estates were constructed in the parish in the 1980s and early 21st century respectively.

Currently, the parish relies very much on the medical, retail, employment and educational facilities of Bridgnorth.

A further development of 500 houses plus associated employment land is the subject of a current outline planning permission.

In addition, the Draft Shropshire Local Plan provides for a garden village of 1000 houses and 16 hectares of employment land in Tasley.

It is evident therefore that a great deal of change is occurring in the Parish and will continue to take place if the Draft Local Plan is approved.
