PRIVACY NOTICE - Data Protection Act 2018 (DPA) and the UK General Data Protection Regulation

How we use children/young people's information

The SEN Team processes personal information relating to children and young people and may receive this information from themselves, parent/carers, current and previous educational/care settings, the Shropshire Council ICT provider (ONE Support), other Shropshire Council Teams, other LA SEN Teams, the Department for Education (DfE) and other external professional agencies.

This information will include the child/young person's and family contact details, national curriculum and attainment data including assessment results, attendance/exclusion information, information from previous/current early years providers/schools/post 16 providers, any information from other LA SEN Teams, any health/medical information, any social care information and any personal characteristics such as their religion and ethnic group.

We hold this personal data to:

- consider and possibly conduct a statutory joint educational, health and care needs assessment;
- consider if top up funding is required for children/young people with identified SEN;
- include in an Education, Health and Care Plan/Graduated Support Plan (if applicable);
- consult with transitioning educational/care settings for future placements;
- provide education support for children and young people with special educational needs;
- be able to monitor, review and report on progress;
- ensure the safeguarding of children and young people;
- ensure the medical health, safety and wellbeing of children and young people;

Our lawful basis for processing information is:

- **Legal obligation**-processing is necessary to comply with the law (SEND Code of Practice)
- **Public task**-processing is necessary to perform a task in the public interest
- **Vital Interests**-processing is necessary to protect someone's life

Sharing Data
