Q4. Please detail your comments on the specified document(s). Please be as precise as possible.

We chose to move here to have easy access to green spaces and the Green Belt. We are regular walkers and benefit in terms of our health and well-being from the countryside around us. We enjoy a rural life in a farming community.

I support the draft Local Plan as it reflects the views of the local community. It protects our countryside and our farms. It protects our county in terms of food security which in my opinion is an important aspect of national security. It also ensures we maintain biodiversity - essential in this climate emergency

It defines where development will happen, ensuring housing requirements are met but makes sure there is no overdevelopment. The development proposed is appropriate, meets the defined needs but protects the current villages and communities.

I believe this is the right plan for Albrighton both now and in the future.

No other sites should be made available in the Local Plan for housing

Additional Sustainability Appraisal Report App 3 - Updated Stage 3 site assessment

I fully support the plan in assessing the Albrighton South sites P36A and P36B as not suitable for development. They should stay as Green Belt and farmers fields. They are near the Boningale Conservation Area and listed buildings. Please do not let developers build on these fields, be true to the Plan.

Shropshire Local Plan – Updated Housing and Employment Paper

7.63 to 7.64

No development should be allowed on Green Belt or areas that are not in the plan.

Shropshire Local Plan – Updated Green Belt Topic Paper

4.14 to 4.21

Developers should not be allowed to build on areas not in the plan

5.23 to 5.27

Safeguarded land should be safeguarded until 2038 and not used before

6.4 to 6.8

I agree that new housing in Albrighton should be built on Millfields, ALB017, and ALB021. I agree new buildings for jobs and employment should be centred on RAF Cosford. Developments in Albrighton need to be phased so Albrighton does not lose its village character.

6.13

I agree there are better places in Shropshire for unmet Black Country housing needs

Thank you
