My name is Jennifer Blackstad and I have lived
in Allongueville [REDACTED] I work [REDACTED]
[REDACTED] in Telford and have seen the impact of
infused development has had both in Telford &
Shifnal.

I believe that said development is unsustainable
both in terms of resources and quality of life of
Allongueville residents.

I feel that there are enough brown sites within
which to satisfy housing need without the need to
develop green belt.

I am certainly not a 'NIMBY' but
the impact of, probably x2 cars per each new
property will be detrimental to air quality and
increased congestion. This is particularly so in
Shrewsbury [REDACTED] [REDACTED]. There is no off-road parking
for air terrace and so an increased number of
cars servicing the Rail Connectors is an already
congested road due to bus, school & doctors will
be intolerable.
