**Q4. Please detail your comments on the specified document(s).
Please be as precise as possible.**

For us, there is nothing better than walking through our local areas of rural natural beauty which are sustainable and protected from any Green Belt development

We don't want to see an unnecessary development and a large urban sprawl come to our village.

We believe this only benefits a developer such as Bencungalt Homes, it offers nothing to local residents and will destroy the natural environment.

We want to protect the setting environment and special ^{character} ~~character~~ of Alburgh for ~~now~~ now and for further generations to come.
