Q4. Please detail your comments on the specified document(s).

Please be as precise as possible.

I am Holly Pleydell,

I moved to Albrighton as I wanted to live in a place that remained rural & with access to the countryside but with a slightly larger community & transport links. I live in the village with access to lots of walks & green space.

After looking at the local plan, I fully support it as it offers a controlled growth that maintains the rural village feel of Albrighton. ^{6.4 - 6.8 PARAGRAPH} The maintaining of the greenbelt is vital for providing space for wildlife & avoid urban sprawl cutting off habitats & wildlife paths as well as access to green space for residents, for recreation, mental health & nature connection. The climate emergency requires urgent action & any changes to the greenbelt go against this whilst employment opportunities are important, this shouldn't come at the cost of our children's future & there is ample access through public & private transport to good local employment opportunities & centres in Shrewsbury, Telford & Birmingham.
