Q4. Please detail your comments on the specified document(s).

Please be as precise as possible.

I wish to confirm that I fully support the amended local plan prepared by Shropshire Council. Our community and the green belt are vital for today and future generations for our mental health and well being. This has been addressed within the local plan by not taking any more green belt land for development. The additional housing and business use land has been met without destroying anymore green belt, this I fully support. We need to consider that once its gone its lost forever and our future generations will not thank us for it. We need to ensure that Rural Englands character is safe guarded with gradual growth as indicated within the revised plan.
