[REDACTED] We value having Albrighton nearby with its village setting.

**12.1 – 12.3, 12.4**

**I support the Shropshire plan** as they consulted the public about sites for development (12.4)

Sites in Albrighton have been designated for development. No other sites, particularly green belt sites should be made available. I strongly object to Boningale Homes' proposal to build on green belt land; their proposal increases the village size by 62%. The whole nature of the village and surrounding areas would change and the infrastructure is not suitable.

Shropshire Council have designated sites at Tasley, Shrewsbury and the former Ironbridge Power Station, and Albrighton has Wain Estates and Millfields sites for housing. The green belt of Albrighton should be protected for the mental well-being of residents and the farmland and subsequent flora and fauna on the land protected.

**I agree with the Shropshire Local Plan** that new housing should be phased so that the village does not become overwhelmed, lose its character and community feel.
