Q2. To which paragraph(s) of the document(s) does this response relate?

The reasons I support Shropshire Councils local plan are :- Appendix 3 of Appraisal report states that development of P36A and P36B would create serious traffic problems along the A464 close to the junction with Crossroad. Also these fields should stay as green belt to protect the environment.

Also updated green belt topic paper shows that the council has been very clear in its plan as to where new housing should be built and as it is not in the plan there should be no development in 36A & 36B

Green belt topic paper states the importance of the green belt around Alington. be kept clear of houses to prevent settlements merging.
