The village has all the amenities we were looking for but the draw was the rural feel, green spaces and clean air. I understand that the need for housing is growing and new builds are necessary which is why I fully support the local plan. That way we can fulfil needs without over development and taking green belt which is designated for a reason. (Appendix 3)

James Cook - continued

The local Plan already makes provision for over 770 homes which is more than adequate. I do not support the development on green belt or in fact overdevelopment which would lead to excessive traffic through the village which would be catastrophic.
