Introduction

[redacted] being a Shropshire lad. [redacted]
[redacted] We chose Albrighton being a rural village which had all the amenities we needed, and which was surrounded by greenfield sites which we could walk in and enjoy. We moved into [redacted] on the outskirts of Albrighton and have spent [redacted] enjoying our surroundings,

12.1-12.3, 12.4,

During our time we have watched with interest the development of the Shropshire local plan and could see that it was well thought out and presented a growth plan for Albrighton in keeping with the environment, green belt being a priority. I support the local plan which if kept to would see a calculated expansion of Albrighton whilst protecting the green belt and preventing proposed speculative developments.

Having read the Shropshire Plan I support it. I think the time scale and the sites allocated for building is sympathetic and appropriate for the size of Albrighton. Any proposed over development should not be permitted. Building on greenbelt land would be detrimental to what is a rural environment and community.

I have read the Shropshire Local Plan and I support it. I feel that any over development would be detrimental to what is a living, thriving, rural community. We moved here to see out our later years in a village environment surrounded by Green Belt and in a relaxing atmosphere. Shropshire Council listened to the residents while arriving at their plan and recognised the importance of protecting our village by opposing unnecessary development on green belt and identifying more suitable locations.
