Please be as precise as possible.**

I have lived in Albrighton for forty five years,

I grew up in the country, I am a fervent naturalist and the preservation of the Green Belt is essential for all life.

The local Plan will provide the additional housing that is needed without destroying the identity of Albrighton as a compact, friendly, almost self sufficient rural community. The Green Belt which is vital if we are going to combat Climate Change will remain intact.

I fervently support the local Plan which seems to meet all the challenges Shropshire faces both now and in future years.
