I grew up in Albrighton and have lived here with my family for over          years.  
a short walk takes me into Shropshire's beautiful countryside. In the other direction, another short walk provides access to all the amenities of this lovely village. I love that Albrighton has retained its village feel and sense of community, providing for a great quality of life.

I think one the reasons that Albrighton achieves this balance so well is that housing planning has been managed sensitively and appropriately. The current draft Shropshire Local Plan continues to demonstrate that approach in my opinion. The options presented indicate ongoing control to ensure protection of the environment and greenbelt areas in Albrighton. The need for sustainable economic growth and housing development is clear but should not be at the expense of our precious and irreplaceable greenbelt/rural areas and agriculture which are all essential to achieving effective biodiversity and managing our environment. The Local Plan provides this control for Albrighton and Shropshire as a whole which is why I have taken this opportunity to register my support for the plan. Having clearly defined allocated areas for current and future housing development in Albrighton provides for peace of mind for current residents and appropriate opportunities for prospective future residents and avoids unplanned overdevelopment. The plan will ensure housing needs are met in Shropshire going forward and balances the wider responsibilities of cooperation with other local authorities. Thank you
