I have lived in Albrighton [redacted] I understand the importance of this very special place. I moved from [redacted] where the community is very different because of the size of it. It is a place of importance not only for Albionics, but also for people from the surrounding towns and villages who join us for weekly walks in the beautiful green belt here. They, like me, are amazed at the village community spirit and would be devastated if Albrighton grew outside the Local Plan.

7.63 I am pleased that we have enough growth to the village for local needs.
Any development outside the local plan should be rejected (7-64)

8.7 Our green belt should not be built on for the mental health that it provides the many walkers from the area and the physical health that the people enjoy because it is a wonderful place to exercise. This affects me and my friends who come from Wolverhampton, Codsall, Perton, Shifnal to walk our quiet lanes in the surrounding countryside.
