I have lived on the outskirts of Albrighton for _____ and have enjoyed all aspects of rural life combined with easy access to a thriving and well-established, collaborative community.

I understand the need to build more housing in a measured and contained way, and so approve the Shropshire Local Plan, which promises to control future planning decisions, whilst protecting our green belt areas.

I feel that the proposal by Boningale Homes to build 800 houses+ on the outskirts of Albrighton will be wholly detrimental to the village by destroying the essence and heart of the community, as well as removing highly valued agricultural and green belt land.

I see from the Local Plan that there are three safeguarded green belt areas that may be used for further development after 2038 and feel that these potential sites should be sufficient for future growth in this area.
